Assignment A

Assignment B

Displayed below.

Assignment C

Displayed below.

Assignment D

t=10 position: 742.503

t=10 speed: 48.3817

Exceed 81: Yes

Assignment E

(a) Displayed below.

(b)

Weights of two samples after another 15 days:

14640.3

2981.48

They are both too heavy, which means they have died from the high amount of tannin.
